Re: Prepaid Inland Freight Charges Effective March 1, 2008

Dear Valued Customers,

In order to continue to provide you with superior service, all pick-up/towing invoices must be paid within 48 hours from pick up date; as all truckers must be paid immediately for these services. Funds for these invoices can no longer be paid overseas. If you currently have outstanding invoices, please remit payment as soon as possible.

Effective March 1, 2008, any vehicles with pending unpaid invoices will not be loaded.

This will ensure smooth and timely delivery of all vehicles.

We offer 14 days free storage at all our warehouses thereafter; storage is billed at \$10 per car per day.

New Website Feature

In our quest to serve you better, a new feature has been added to our website. You can now submit vehicle pick-up instructions and auto requirement shipping instructions online. Please use the link below to submit this information. Please feel free to contact us with any questions regarding submitting your order.

Your comments are always welcome.
